P2A Foundation

We are proud to reinvest in the regions we call home. Our partnership with St. Joseph's Hospital has raised more than \$600,000 to advance research that benefits individuals and families across our community. Beyond this major milestone, we continue to support numerous local organizations including the Lions Club, Shriners, Hamilton Youth Cycling, the Langford Conservancy, the Hamilton Conservation Authority, the Grand River Conservation Authority, and many others. These relationships reflect our ongoing belief that strong communities are built through collaboration and care.

A Word from P2A Co-Founder John Thorpe

For the first time in 31 years, John Thorpe will be trading the organizer's role for a bike saddle and riding the event himself. After decades of helping shape P2A, it's exciting to finally see him take on the course from a rider's perspective.

We also want to extend our congratulations to Kelsey Mitchell on her recent success in bobsleigh. Her versatility and dedication continue to inspire, both on the track and on the ice.

Watch our latest video to hear John share the news in his own words.

P2A Ambassador: Krys Hines

This month, we're excited to highlight Krys Hines, owner of the beloved Café Domestique and a long-time supporter of Paris to Ancaster. Krys has been an incredible ambassador for the event since he started helping in 2011, lending his expertise, enthusiasm, and community spirit year after year.

Whether he's helping riders prepare, contributing behind the scenes, or building cycling culture through Café Domestique, Krys continues to make a meaningful impact on the P2A community.

P2A 2001 Winner: Sue Palmer

Your Ride Can Fuel Health Research that Saves Lives

Riders in Paris to Ancaster are encouraged to consider raising funds for our official charity partner, St. Joseph's Healthcare Foundation. You can make a donation at the time of registration or share your fundraising page via social, text or email and ask your family and friends to support your ride with a fully tax-receiptable donation. Every gift helps to fund groundbreaking health research at St. Joseph's Healthcare Hamilton. Wondering why it matters? Well, let's start with the fact that [St. Joe's Researchers are Reducing Prostate Cancer Recurrence Rates](#). Read more about research at St. Joe's in our email updates on P2A or follow us on social!
